

# BA English Writing, Literature, & Publishing

Enhance your creative voice & thrive in the world of writing, literature, publishing, & communication with AUR's combination of theoretical analysis & hands-on, experiential learning in the inspiring city of Rome, Italy.

## An essential modern skill

Our world revolves around storytelling, & this program will allow you to explore the vital role of language & narrative in society. With an emphasis on literary history, creative writing, & practical experience, you will gain the interdisciplinary & critical thinking skills needed to succeed in today's evolving literary landscape.

## Prepared to face the future

AUR's faculty include award-winning poets, authors, & scholars with unmatched global expertise, diverse ideas, & professional networks. You will be encouraged to sharpen your unique vision & learn across disciplines, allowing you to be competitive in the job market & develop skills in podcasting, graphic design, & other contemporary fields.

## Go beyond the classroom

With Rome as your classroom, the BA in English Writing, Literature, & Publishing prepares you for the dynamic & creative world of writing with a global perspective. As a world capital in the center of Europe, Rome offers the unique opportunity to expand your imagination & experience. Literary culture comes to life through Italy's places, food, & culture, inspiring you & helping you find your voice & refine your talent.
